

EDEN SKILLS SUMMIT

Summary of Resolutions

We Resolve To

- Continue and accelerate collaboration and cooperation among all District skills development role players that was born out of the GRRI
- Become involved and add value to the Garden Route Skills Development Strategy for a Skills Mecca across the District
- Ensure that the Skills Mecca concept leverages digital infrastructure as far as possible to ensure learning and processes methods are and remain cutting edge.
- As far as possible link Skills Development to Investment and Economic Development opportunities to the advancement for all

We Resolve To

- Ensure that all Skills Development processes in the Garden Route ALWAYS consider and proactively considers Water – a Shared Resource.. Plumbers !
- Ensure that all current and emerging skills development intervention in each municipality is supported and built into the Skills Mecca concept.
- Consider and where possible efficiently and effectively include the skills needs of each Municipality in the Eden District in the development and roll out of the Skills Mecca
- Engage with all willing partners, in particular the SETAs and the National Skills Fund, to explore the development and implementation of projects across the District as an integral part of the Skills Mecca

We Resolve To

- Consider and leverage local skilled people, including retired people, within the District, to accelerate the growth of the Skills Mecca.
- That within next six months a new skills project is started within each of the six focus areas within at least one local municipality
- Progressively support the development of the new apprenticeship of 21st Century (A21) in the District
- Budget, plan and implement an annual Skills Summit that is held in a different local municipality rotationally and alphabetically.... 2019 = Hessequa..

We Resolve To

- Create a Garden Route that strives to be an inclusive and thriving region that unlocks the potential for all who live, work, travel, play and **LEARN** here”.
